|------|--|-------------|--------|
| I.   | Welcome  | T. McKinney | 2 min. |
|      | Dr. McKinney called the meeting to order and the DCBHLT and guests introduced themselves.  |             |        |
| II.  | Consideration of July Meeting Minutes  | T. McKinney | 2 min. |
|      | Minutes from July 20, 2017 meeting and electronic minutes which included the vote to add state representation to the DCBHLT were shared. |             |        |
|      | Motion to approve by Terry Widmer. Second by Dr. Roxanne Del-Rio. Passed unanimously by DCBHLT.  |             |        |
| III. | Bylaw Amendments (attached)  | T. McKinney | 5 min. |

As our needs change, so does the need for our bylaws. The following amendments to the bylaws are needed:

- **Article IV, Section 4.1 Appointment:** Add Federal and State Legislatures and Corinth City Council to the entities represented on the DCBHLT. This change allows the DCBHLT to add members that the body agreed should be included on the team.
- **Article VI, Section 6.1 DCBHLT Appointees:** Change the minimum number of DCBHLT members from 15 to 16, and change the maximum from 33 to 36. This will allow us to accommodate the growth from appointments in Article IV, Section 4.1. Additionally, we have increased the number of federal and state legislature appointees from 0 to 1-3, Corinth City Council from 0 to 1-2, Small Cities from 1 to 1-2, and Human Systems from 4-8 to 4-10.

- **Article VI, Section 6.13: DCBHLT Workgroups/Subcommittees:** Amend the workgroups to remove housing as it has been adopted under the DCHLT and change Consumer to Community Conversations.
- With these changes, the new DCBHLT model will look like model included in the agenda packet.

Short discussion to ensure that housing workgroup work was being continued if not under the DCBHLT. Terry Widmer, chair of the DCHLT confirmed that the work is being continued. TJ Gilmore raised the question if the purpose of the Community Conversations workgroup would be the same as the Consumer workgroup. Director of Homelessness Initiatives, Courtney Cross, confirmed that the name change does not change the intent of the workgroup.

Motion to approve amendments to bylaws as proposed by Dr. Timothy Harris. Second by Councilman TJ Gilmore. Passed unanimously by DCBHLT.

IV. Community Health Summit M. Richardson 25 min.

Dr. Richardson and Denton County Public Health will host a Community Health Summit, sponsored also by UWDC and Texas Health Presbyterian Hospital/Texas Health Resources on October 11th from 9am to 2pm.
